

Elena Vance

Seattle, WA | 555-0821 | e.vance@email.com | linkedin.com/in/elenavance

Professional Profile

Analytical Business Analyst with 6 years of experience specialized in supply chain optimization and digital transformation projects. Skilled in translating complex business needs into technical requirements. Proven ability to leverage SQL and Tableau to identify operational bottlenecks.

Technical Proficiency

- Data Analysis (SQL, Excel)
- BI Tools (Tableau, Power BI)
- Requirement Documentation
- Project Management (Jira, Asana)
- Business Process Modeling (BPMN)
- Agile & Scrum Frameworks

Experience

Senior Business Analyst

2020 – Present

Nexus Logistics Corp

- Led the requirements gathering for a new warehouse management system, resulting in a 20% increase in order fulfillment speed.
- Created comprehensive stakeholder dashboards that improved visibility into weekly shipping delays by 40%.
- Facilitated weekly "Discovery" sessions with IT and Operations to bridge communication gaps on technical roadblocks.

Junior Analyst

2018 – 2020

BrightPoint Consulting

- Conducted quantitative analysis on customer feedback data to support a major product redesign.
- Standardized the documentation process for user stories, reducing sprint planning time by 15%.
- Maintained internal knowledge base, ensuring all project documentation was up-to-date for audit compliance.

Education

B.A. in Business Administration

2017

University of Washington
